

**Subject Equivalence for S. E. (Polymer / Petroleum / Petrochemical Engineering)**

**2008 with 2015 Course**

Code No.	Name of the Subjects (2008 Course)	Code No.	Name of the Subjects (2015 Course)
212381	Engg. Chemistry-I TH Practical	212381	Engg. Chemistry-I Online TH Practical
212382	Engg. Materials Science and Tech. TH Termwork	212382	Engineering Materials and Solid Mechanics Online TH Termwork
212383	Chemical Process Calculations TH	212389	Process Calculations Online TH Termwork
212384	Momentum Transfer TH Oral	212383	Momentum Transfer Online TH Oral
212385	Strength of Materials TH Termwork		<i>Examination to be continued as per rules.</i>
212386	Introduction to Petroleum Industry Termwork		
212387	Technical Communication Termwork	212391	Technical Communication Oral
207007	Engg. Maths.-III TH	207007	Engg. Maths.-III Online TH
212388	Engg. Chemistry-II TH Practical	212387	Engg. Chemistry-II Online TH Practical
212389	Heat Transfer TH Oral	212388	Heat Transfer Online TH Oral
212390	Particle Technology TH Oral	212384	Particle Technology Online TH Oral
212391	Elements of Social Sciences TH	212385	Elements of Social Sciences Online TH
212392	Industrial Electronics and Electrical Engg. Termwork	212392	Electrical and Electronics Engineering Termwork
212393	Machine Drawing and Workshop Practices Termwork	212386	Machine Drawing and Workshop Practices Termwork
		212390	Chemical Engineering Thermodynamics Online TH Termwork
