

# Savitribai Phule Pune University, Pune

## Computer Engineering

### TE 2008 courses Equivalence with TE 2012 courses

TE 2008 course		TE 2012 course	
Subject Code	Subject Name	Subject Code	Subject Name
<b>Semester I</b>			
310241	Database Management Systems (TH)	310244	Database Management Systems Applications(TH)
310242	Data Communications (TH)	To be Continued	
310243	Microprocessors and Micro controllers (TH)	To be Continued	
310244	Digital Signal Processing (TH)	To be Continued	
310245	Theory of Computation (TH)	310241	Theory of Computation
310246	RDBMS and Visual Programming Laboratory (TW) (PR)	To be Continued	
310247	Signal Processing Laboratory (TW) (OR)	To be Continued	
310248	Hardware Laboratory (TW)(PR)	To be Continued	
<b>Semester II</b>			
310249	Principles of Programming Languages (TH)	To be Continued	
310250	Computer Networks (TH)	310251	Computer Networks
310251	Finance and Management Information Systems (TH)	To be Continued	
310252	Systems Programming & Operating Systems(TH)	To be Continued	
310253	Software Engineering (TH)	310252	Software Engineering
310254	Software Laboratory (TW)(PR)	To be Continued	
310255	Computer Networks (TW)(OR)	To be Continued	
310256	Software Development Tools Laboratory (TW)	To be Continued	
310257	Seminar and Technical Communication (TW)	To be Continued
